Report on the Field Study

Date: 15.05.2023

Place: Bamnisola Village, Saltora, Bankura, West Bengal

Organized by: Department of Geography, Saltora Netaji Centenary College

Brief Report:

The Department of Geography, Saltora Netaji Centenary College has successfully conducted a one-day field study/field work at Bamnisola Village, Saltora, Bankura, West Bengal on 15.05.2023. The field study was supervised by the faculty members of the department. In total, 12 students have attended the said event who actively participated and collected primary data on the socio-economic condition of the inhabitants of Bamnisola village. Despite of having faced some difficulties, the students surveyed nearly all the households of the village which is a tribal dominated village.

Report on the Annual Excursion

Date: 09.04.2023 - 14.04.2023

Place: North Sikkim

Organized by: Department of Geography, Saltora Netaji Centenary College

Brief Report:

The Department of Geography, Saltora Netaji Centenary College has successfully conducted a five-days annual excursion at various places of North Sikkim from 09.04.2023 - 14.04.2023. The annual excursion was supervised by the faculty members of the department. In total, 17 students and 2 faculty members have attended the said event. The journey started from Bankura town on 09.04.2023 in the evening by bus. For all the students, it was the first high-altitude Himalayan experience. The group have visited prominent tourism destinations like Gangtok hill station, Gurudongmar Lake, Chungthang, Lachung, Lachen, Yumthang etc. The faculty members carefully guided the students about the high altitude climatic condition, glacial environment, landforms and relief, mountain settlements etc. Our students organized small awareness campaign in Gurudongmar Lake and made people aware about the curse of plastic pollution. Overall, it was a great experience for all. The students and teachers bore most of the expenses, though the college authority also has contributed a considerable amount. The Department of Geography duly acknowledges it.

Soil Testing Programme (13.05.2023)

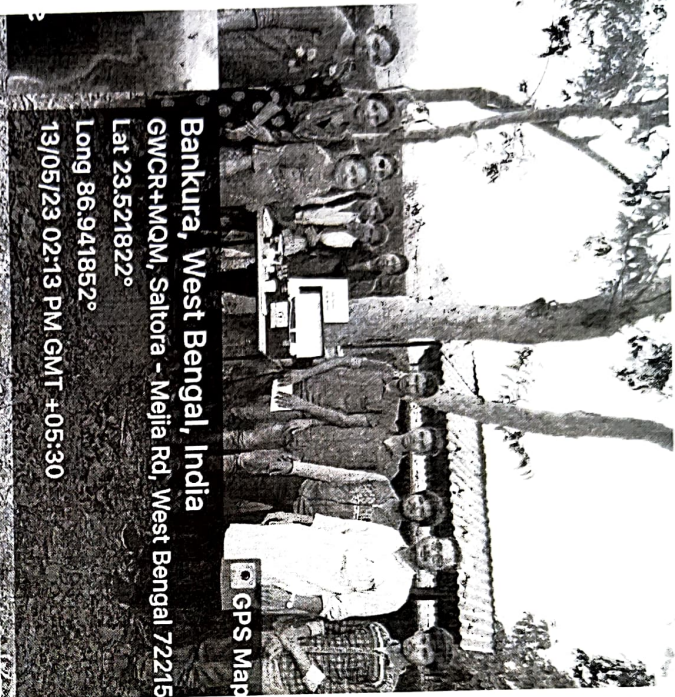

The Soil Testing Programme was a great success with the following notable outcomes-

- All the students of the Department of Geography were motivated and encourage to take active part in the Soil Testing Programme.
- A total of students of the Department of Geography attended the programme with great enthusiasm and positive attitude for learning.
- All the staffs of the Department of Geography along with the Head of the Department Dr. Tushar Mandal were present on that occasion. The students tested the soil of the agricultural fields of the owners residing in College Para- an adopted village of Saltora Netaji Centenary College. The results were conveyed to the land owners and suggestions were given to them on what types of crops are suitable for cultivation in their lands. The list of students and the beneficiaries are attached herewith. The test was done using the soil kit available in the Department of Geography. The faculty members were present to supervise the programme.
