Outcome Report
On Youth Parliament, 2022-2023

Youth Parliament Competition and Youth Parliament Quiz Competition Programme, 2022-2023 was held on and from 06/09/2022 to 08/09/2022 at Ramananda College, Bishnupur, Bankura. The basic and ultimate objective of this programme is to motivate the young generation to take active interest in the democratic process of the country and to prepare them in the role of responsible leaders in a polity based on the principles of Parliamentary Democracy.

The Parliamentary Affairs Deptt., Govt. of West Bengal has been organizing the Youth Parliament Quiz Contest since 2006-2007 to draw more students towards the competition and to develop democratic attitude and respect among the younger generation towards the glorious history of the Indian freedom struggle which has ushered in the Parliamentary democracy in this country. This is also intended to sharpen the knowledge and presence of mind and as also the confidence level of the students. Success of Parliamentary democracy largely depends on effective ventilation of needs and grievances of the people within the legislature and also outside it. Keeping this in mind, it may safely be said that the eloquence and oratory skills besides innovative and creative bent of imagination and quick presence of mind should be the qualities which need to be nurtured and nourished in young minds so as to enable them to cope with the challenges thrown up in a Parliamentary system. Against this background, Department of Parliamentary Affairs, Government of West Bengal introduced within the West Bengal Youth Parliamentary Scheme in Educational Institutions a component of Extempore Speech Competition. The student's participation was outstared. They performed in the Youth Parliament Competition with great success. In the quiz competition our students placed 4th position and in the extempore one of them take 3rd position.
