

Mentor-Mentee Report

Mentor	Tapas Paramanik, State Aided College Teacher-I, Dept. of Geography
Semester	2nd semester (Hons.) [2022-23 session]
Date & Time	20/02/23 -2:00 pm
Venue	Room no. 19 (LAB)

The mentees of my group were notified earlier in the classroom about this session. I conducted a Mentor-Mentee Session (2022-23) with the 2nd semester (Hons.) students (list attached) on **20/02/2023** at 2:00 pm in room no. 19 (Lab).

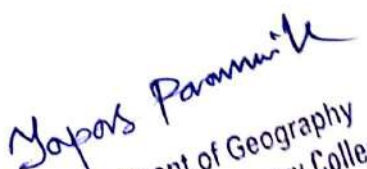

First of all the Mentor - Mentee idea was explained to them. After that I have assured them that they could feel free to express their personal or academic problems to clear their doubts as well as queries. I asked them whether they feel the need to have a separate session for individual and private discussion. The students informed me that they would ask me for a private session as per their needs.

All the mentees were concerned about their 2nd Semester University examination. They were worried about how to cope with the anxiety of not being able to attend regular classrooms and how this gap would be addressed. They also wanted to know whether the examination would be through online or offline mode. I informed them that this decision shall be made either by the Bankura University or The State Government itself. They were assured that whatever might be the mode of examination, they shall have enough time for preparation and all kind of examination related help would be provided by the institution and the esteemed faculty members. The Mentees had no other query or problem to share or discuss.

Before concluding the session, I have insisted them to attend the classes on a regular basis. They confirmed me that they would attend classes regularly and would contact me if any kind of support or help is needed.

Mentor-Mentee Report

Mentor	Mr. Buddhadev Shit, SACT-II, Dept. of Geography
Semester	4 th semester (Hons.) [2022-23 session]
Date & Time	20/02/2023 11:00 am
Venue	Room no. 19

After notifying all the mentees beforehand about this session, I have conducted a Mentor-Mentee Session (2022-23) with the 4th semester (Hons.) students (list attached) on 20/02/2023 at 11:00 am in room no. 19.

After explaining them the idea of Mentor-Mentee system, I asked them to feel free to talk with me about their personal or academic problems to clear their doubts as well as queries. I asked them whether they want to have a separate session for individual and private discussion. They conveyed that they would ask for a private session if they feel the need.

Like everyone else, the main query of all the mentees was on their 4th Semester University examination. They wanted to know whether the examination would be through online or offline mode. I informed them that this decision shall be made either by the Bankura University or The State Government itself. I assured them that whatever might be the mode of examination, they shall have enough time for preparation and all kind of examination related help would be provided by the institution and the esteemed faculty members. The Mentees had no other query or problem to share or discuss.

Before concluding the session, I have insisted them to attend the classes on a regular basis. They responded quite positively and told me that they would contact me if any kind of support or help is needed.

Mentor-Mentee Report

Mentor	Mr. Buddhadev Shit, SACT-II, Dept. of Geography
Semester	6 th semester (Prog.) [2022-23 session]
Date & Time	20/02/2023 11:00 AM
Venue	Room no. 19

After giving a notification beforehand, I have conducted a Mentor-Mentee Session (2022-23) with the 6th semester (Prog.) students (list attached) on 20/02/2023 at 11:00 am in the room no. 19.

The 6th semester students have already participated in mentor-mentee session a number of times. They anonymously conveyed that they have been benefitted to a great extent from these sessions and are looking forward to future sessions.

As it is their last semester before graduation, mentees conveyed that they are quite tensed and confused about the future. They are not sure what way to choose after graduation, whether to go for higher studies and doing Master's degree or to appear in various state and central government examinations. Some mentee were confused about doing B.Ed. degree as they are interested to pursue teaching profession. Few mentee asked about the benefit of doing Masters degree in Geographic Information Science (GIS) instead of in geography. A mentee told me that he want to pursue Bachelor of Business Administration (BBA). He wanted to asked me whether the decision is right for him.

I have tried to answer each and every query of them explaining both sides of the coin. I have encouraged them to pursue their dream. I have put focus on the struggle and scope of each path they choose and ultimately to expect from the paths. I have advised them who are interested to prepare for competitive exams to visit different websites such as NDL's official websites, NTA website etc. apart from going through Employment News, Karmaskhetra, Yojana etc. on a regular basis. I have advised to talk to their seniors who have graduated from our department and have done their master degrees in different universities to get a first hand experience.

Before concluding the session, I insisted on them attending regular classes for the rest of the semester. They assured me that they would attend classes regularly and would also contact me any kind of support or help even after graduation and they are looking forward to join the alumni association as active members.

Mentor-Mentee Report

Mentor	Mr. Buddhadev Shit, SACT-II, Dept. of Geography
Semester	3rd semester (Hons.) [2022-23 session]
Date & Time	10/08/2022 11:00 am
Venue	Room no. 19

After notifying the students earlier, I have conducted a Mentor-Mentee Session (2022-23) with the 3rd semester (Hons.) students (list attached) on 10/08/2022 at 11:00 am in the room no. 19.

As they had already attended Mentor-Mentee sessions in previous academic session, they were eagerly waiting for the next meeting. Many mentees enquired on the techniques of memorizing the texts more efficiently. They told me that in the previous exams, some of them found it difficult to remember many facts and figures. Some mentees could not finish writing answers in time.

I explained them that mere memorization of the theories, models, hypothesis, facts and figures are not enough. Thorough understanding of the concepts is very important to properly remember things. If they don't understand it properly, write them up and revise frequently, it would be tough to remember everything. I have provided them some guidelines to improve their writing skills and insisted them to apply on regular basis. I have explained them the three 'R' of remembering- Record, Retain and Retrieve. Apart from that, I have advised them to study the maps and diagram wherever applicable as it helps to remember related facts and figures more efficiently. I have assured them that I am always available for them to answer their queries whenever they feel so.

Mentor-Mentee Report

Mentor	Dr. Tushar Mandal, Assistant Professor & Head, Dept. of Geography
Semester	5th semester (Hons.) [2022-23 session]
Date & Time	10/08/2022 2:00 pm
Venue	Room no. 19

After notifying the students earlier, I have conducted a Mentor-Mentee Session (2022-23) with the 5th semester (Hons.) students (list attached) on 10/08/2022 at 2:00 pm in the room no.19.

As they had attended Mentor-Mentee session in previous academic session, they were interested and looking forward for the meeting. Many mentees wanted to know about their future study and job opportunities.

As the Mentees have stepped into their final year of study, they are little bit anxious about their future course of study and career. Many are confused about whether to go for higher studies in universities or opt to prepare for many administrative jobs through competitive examinations. Many wanted to know the benefits of doing B.Ed. degree right after graduation. After listening everything they have to say, I have told them all the benefits, scopes and struggles. The Mentees listened carefully and asked many questions regarding the different aspects. It was indeed a fruitful session. I have advised them who are interested to prepare for competitive exams to visit different websites such as NDL's official websites, NTA website etc. apart from going through Employment News, Karmaskhetra etc. I have advised to talk to their seniors who have graduated from our department and have done their master degrees in different universities to get a first hand experience.

Before concluding the session, I insisted on them for attending regular classes. They assured me that they would attend classes regularly and would also contact me any kind of support or help.
