Outcome of Student Seminar

1. The seminar resulted in knowledge sharing by young participants in the form of oral presentation. They presented innovative ideas in the seminar which resulted in the enhancement of their knowledge.
2. All the students of the History department participated in the seminar either directly or indirectly.
3. They showed positive response towards the seminar
4. The seminar enhanced the ability of participants to structure and organize thoughts.
5. It sharpened the ability of the students to research and analyze problems, think and listen critically, express their thoughts clearly and fluently, and better understand public affairs.
