Outcome of the Online Lecture Session

The National Level Online Lecture Session was a great success with the following notable outcomes-

- The Online Lecture Session was widely promoted through both online and offline modes among the students and staffs of this college.
- As the lecture session was interdisciplinary in nature, many students from the sister disciplines like history were also present.
- A total of 45 participants including students and faculty members of this college and other institutions have attended the seminar with great enthusiasm and positive attitude.
- The honourable President of the G.B., honourable Principal, Joint IQAC Coordinator and all the staffs of Department of Geography were present along with the resource persons. The resource person of the first session of the Online Lecture Session was Dr. Biswajit Roy, Assistant Professor and Head, Department of Geography, P. K. M. Mahavidyalaya, who delivered an insightful and enlightening lecture session. The title of his lecture session was: An Analysis of Research Methodology in Geoarchaeology with Special Reference to Debalgarh, Nadia. His speech was very informative and enlightening. He efficiently provided a comprehensive picture on the research methodology and field technique of Geoarchaeology. The other eminent resource person was Mr. Jayanta Ghosh, Geophysicist of the Geological Survey of India, Govt. of India. Using different digital cartographic techniques, Mr. Ghosh showed the different methodologies of mineral exploration which was spellbinding for the audience. The title of his lecture was: Looking into the Earth through Geophysics.
- All the participants learned a lot from the lecture session and participated whole heartedly in the question-answer session where all the doubts were cleared by the eminent resource person.
- The expenses of the online lecture session were met from the college fund. The convener of the lecture session duly acknowledges it.
