History of World Sanskrit Day (विश्वसंस्कृतदिवसः) :

World Sanskrit Day, also known as Vishva-Samskrita-Divasa is an annual event aimed to promote the revival and maintenance of Sanskrit. It is celebrated on Shraavana Poonnima, that is the full moon day of the Shraavana month in the Hindu calendar. This generally corresponds with the month of August in the Gregorian calendar.

This day was chosen because the academic year in ancient India started on this day. On this day, students started the study of Vedas in the gurukulas. From the full moon of the month of Paush to the full moon of the month of Shraavana, the studies are stopped to learn other Vedantic scriptures. This tradition is still unbroken in modern Vedic schools.

In 1969, the Ministry of Education of Government of India issued instructions to celebrate Sanskrit Day at the Central and State levels. Since then, Sanskrit Day is celebrated all over India.

Date : 5th September, 2018

REPORT ON TEACHERS' DAY CELEBRATION

History of Teachers' Day Celebration:

In India, 5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr. Sarvapalli Radhakrishnan, a staunch believer of education and a well known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher.

In 1962, when Dr. Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. From then onwards, this day is celebrated as Teachers' Day in India.

Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. Teacher's Day is celebrated with great enthusiasm in many parts of the world. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

Report on Teachers' Day celebration:

"If there were no Teachers, all other Professions would not exist"

The quote exactly mentioned the importance of teachers in life. Like every year, this year also the Honourable Principal Sir and all faculties of Sanskrit Department were invited to celebrate the Teachers' Day.

Date : 4th September, 2019

**Report on the Celebration of the World Sanskrit Day ("विश्वसंस्कृतदिवसोत्थापनम्")
Organised by the Department of Sanskrit on 4th September, 2019**

History of World Sanskrit Day (विश्वसंस्कृतदिवसः) :

World Sanskrit Day, also known as Vishva-Samskrita-Divasa is an annual event aimed to promote the revival and maintenance of Sanskrit. It is celebrated on Shraavana Purnima, that is the full moon day of the Shraavana month in the Hindu calendar. This generally corresponds with the month of August in the Gregorian calendar.

This day was chosen because the academic year in ancient India started on this day. On this day, students started the study of Vedas in the gurukulas. From the full moon of the month of Paush to the full moon of the month of Shraavana, the studies are stopped to learn other Vedantic scriptures. This tradition is still unbroken in modern Vedic schools.

In 1969, the Ministry of Education of Government of India issued instructions to celebrate Sanskrit Day at the Central and State levels. Since then, Sanskrit Day is celebrated all over India.

**Report on the Publication
of
Sanskrit Departmental Wall Magazine
Entitled 'संस्कृत-वर्तिका'
For the Academic Session - 2019-20**

**Published By
Students of Department of Sanskrit
Date : 04/09/2019**

Report on the publication of the Departmental Wall Magazine entitled "संस्कृत-वर्तिका" (Sanskrita-varttika) Published by the Department of Sanskrit on 4th September, 2019

Objectives:

01. To give scope for the students in creative writing.
02. To provide a platform for displaying various talents.
03. To use students' leisure time effectively.
04. To give equal participation to all the students.
05. To develop healthy competition among students and inter-classes.

Context:

It was observed that students are not getting enough time for extra-curricular and co-curricular activities. Semester system has very less time for non-academic activities. It is felt that students are lagging, not getting enough space to express their creativities, ideas, writings or findings. We thought of providing a platform for the students. This gave rise to the concept of wall magazine.

Practice:

The Students of Semester - I, III & V (Honours) were allotted to publish a Departmental Wall Magazine. We named it as "संस्कृत-वर्तिका" (Sanskrita-varttika). An editorial committee of students was framed, whose primary responsibility was to scrutinise the various articles, write-ups which are to be published in the wall magazine. For every academic session a new 'theme' was selected. For this academic session - 2019-20 the theme was selected that "काव्यस्य स्वरूपम्" (The form of Poetry). The students had to contribute only related to that theme. Students editorial board scrutinises and send for the final approval to editor-in-chief. He finalises the articles to be published. He briefly writes an editorial note.

Brief Report on the publication of the Departmental Wall Magazine:

It was prepared by the students of B.A. Sanskrit (Honours), Sem-I, Sem-III & Sem-V. Mostly the magazine is written in Sanskrit language. About 34 students and 15 teachers are gathering the Inauguration Program. Our Honourable Teacher-in-Charge inaugurated it on the Day and delivered a encouraging lecture for the students on the front of "संस्कृत-वर्तिका". Evidence of success:

The participation of students in the curricular and co-curricular activities increased. Students who were hesitate to participate in the classroom activities were also started to participate actively. Students used their leisure time more productively. It created healthy competition among students. Students expressed their creativity in writing, picture and projects. It instilled team work character among students. By comparing with their peers, they tried to improve their performance. It removed hesitation among students and develops confidence among students for expression.

Problems encountered and Resource required:

Students were unable to spend time in the college after class hours due to lack of bus facility. Repeated rejection of works due to quality check lead to de-motivation in few students. Access to quality websites, availability of journals and magazines, reference books along with stationery materials- these are the minimum required resources.

REPORT ON TEACHERS' DAY CELEBRATION

History of Teachers' Day Celebration:

In India, 5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr. Sarvapalli Radhakrishnan, a staunch believer of education and a well known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher.

In 1962, when Dr. Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. From then onwards, this day is celebrated as Teachers' Day in India.

Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. Teacher's Day is celebrated with great enthusiasm in many parts of the world. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

Importance of Teachers' Day celebration:

"If there were no Teachers, all other Professions would not exist"

The quote exactly mentioned the importance of teachers in life. Like every year, this year also the Honourable Principal Sir and all faculties of Sanskrit Department were invited to celebrate the Teachers' Day.

The Teacher's Day was celebrated by the students of Semester-III & V of Sanskrit Department at room no. 15 on 5th September, 2019 to express their gratitude for the immense contribution put forth by their teachers towards their development. Teachers are the cornerstone of students' future.

गुरुर्ब्रह्मा गुरुर्विष्णुः
गुरुर्देवो महेश्वरः ।
गुरुःसाक्षात् परब्रह्म
तस्मै श्रीगुरवे नमः ॥

Students decorated the classroom with the decorative items on the eve of Teacher's day and the faculties were welcomed warmly. Each of the faculties was given a gift as a token of gratitude to show the acknowledgement and recognition of the hard work put by the teachers towards their development, wishing them a Happy Teachers Day. Teachers Day was celebrated with a lot of anticipation, for the sheer spirit of the occasion. The event was concluded by the reviews of Honourable Teacher-in-Charge Sir of SNCC, H.O.D., all the faculties and students of the Sanskrit Department.

The event was ended by vote of thanks by the students. Before dispersing from the event, all faculty members and students had cut the cake as a part of celebration. The efforts and dedication of Honourable Teacher-in-Charge Sir of SNCC, all faculty members and students of Sanskrit Department had made that event a grand success.

Sanskrit Departmental Wall Magazine
Entitled 'संस्कृत-वर्तिका'
For the Academic Session - 2021-22**

Report on the publication of the Departmental Wall Magazine entitled "संस्कृतवर्तिका" (Sanskrita-vartika) Published by the Department of Sanskrit on 27th April, 2022

Objectives:

01. To give scope for the students in creative writing.
02. To provide a platform for displaying various talents.
03. To use students' leisure time effectively.
04. To give equal participation to all the students.
05. To develop healthy competition among students and inter-classes.

Context:

It was observed that students are not getting enough time for extra-curricular and co-curricular activities. Semester system has very less time for non-academic activities. It is felt that students are lagging, not getting enough space to express their creativities, ideas, writings or findings. We thought of providing a platform for the students. This gave rise to the concept of wall magazine.

Practice:

The Students of Semester - IV & VI (Honours) were allotted to publish a Departmental Wall Magazine. We named it as "संस्कृत-वर्तिका" (Sanskrita-vartika). An editorial committee of students was framed, whose primary responsibility was to scrutinise the various articles, write-ups which are to be published in the wall magazine. For every academic session a new 'theme' was selected. For this academic session - 2022-23 the theme was selected that "समाजस्य विविधसाम्प्रतिकसमस्या" (Various Recent Problems of Society). The students had to contribute only related to that theme. Students editorial board scrutinises and send for the final approval to editor-in-chief. He finalises the articles to be published. He briefly writes an editorial note.

Brief Report on the publication of the Departmental Wall Magazine:

Sanskrit Departmental wall magazine named as "संस्कृत-वर्तिका" (Sanskrita-vartika) has been published on the special theme called "समाजस्य विविधसाम्प्रतिकसमस्या" (Various Recent Problems of Society) on 27th April, 2022 (Wednesday) at 1:30 PM onwards in the room no.-5 of this college. It was prepared by the students of B.A. Sanskrit (Honours), Sem-IV & Sem-VI. Mostly the magazine is written in Sanskrit language. About 36 students and 15 teachers are gathering the Inauguration Program. Our Honourable Principal Dr. Kishore Kumar Biswal Sir inaugurated it on the Day and delivered a encouraging lecture for the students on the front of "संस्कृत-वर्तिका". This is the one of most interesting event for the students of our department. The creative skills of the students has been encouraged by the faculty members. Evidence of success:

The participation of students in the curricular and co-curricular activities increased. Students who were hesitate to participate in the classroom activities were also started to participate actively. Students used their leisure time more productively. It created healthy competition among students. Students expressed their creativity in writing, picture and projects. It instilled team work character among students. By comparing with their peers, they tried to improve their performance. It removed hesitation among students and develops confidence among students for expression.

Problems encountered and Resource required:

Students were unable to spend time in the college after class hours due to lack of bus facility. Repeated rejection of works due to quality check lead to de-motivation in few students. Access to quality websites, availability of journals and magazines, reference books along with stationery materials- these are the minimum required resources.

**Report on the Celebration of the World Sanskrit Day ("विश्वसंस्कृतदिवसोत्थापनम्")
Organised by the Department of Sanskrit on 24th August, 2022**

History of World Sanskrit Day (विश्वसंस्कृतदिवसः) :

World Sanskrit Day, also known as Vishva-Samskrita-Divasa is an annual event aimed to promote the revival and maintenance of Sanskrit. It is celebrated on Shraavana Purnima, that is the full moon day of the Shraavana month in the Hindu calendar. This generally corresponds with the month of August in the Gregorian calendar.

This day was chosen because the academic year in ancient India started on this day. On this day, students started the study of Vedas in the gurukulas. From the full moon of the month of Paush to the full moon of the month of Shraavana, the studies are stopped to learn other Vedantic scriptures. This tradition is still unbroken in modern Vedic schools.

In 1969, the Ministry of Education of Government of India issued instructions to celebrate Sanskrit Day at the Central and State levels. Since then, Sanskrit Day is celebrated all over India.

Report on the Celebration of Teachers' Day Academic Session - 2022-23

Celebrated by

Students of Semester-III & V

Department of Sanskrit

Date : 5th September, 2022.

REPORT ON TEACHERS' DAY CELEBRATION

History of Teachers' Day Celebration:

In India, 5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr. Sarvapalli Radhakrishnan, a staunch believer of education and a well known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher.

In 1962, when Dr. Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. From then onwards, this day is celebrated as Teachers' Day in India.

Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. Teacher's Day is celebrated with great enthusiasm in many parts of the world. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

Report on Teachers' Day celebration:

"If there were no Teachers, all other Professions would not exist"

The quote exactly mentioned the importance of teachers in life. Like every year, this year also the Honourable Principal Sir and all faculties of Sanskrit Department were invited to celebrate the Teachers' Day.

The Teacher's Day was celebrated by the students of Semester-III & V of Sanskrit Department at room no. - 5 on 5th September, 2022 to express their gratitude for the immense contribution put forth by their teachers towards their development.

Students decorated the classroom with the decorative items on the eve of Teacher's day and the faculties were welcomed warmly. Each of the faculties was given a gift as a token of gratitude to show the acknowledgement and recognition of the hard work put by the teachers towards their development, wishing them a Happy Teachers Day. Teachers Day was celebrated with a lot of anticipation, for the sheer spirit of the occasion. The event was concluded by the reviews of Honourable Principal Dr. Kishore Kumar Biswal Sir of SNCC, H.O.D., all the faculties and students of the Sanskrit Department.

The event was ended by vote of thanks by the students. Before dispersing from the event, all faculty members and students had cut the cake as a part of celebration. **Report on the Publication
of
Sanskrit Departmental Wall Magazine
Entitled 'संस्कृत-वर्तिका'
For the Academic Session - 2022-23**

**Published By
Students of Department of Sanskrit
Date : 10/04/2023**

Report on the publication of the Departmental Wall Magazine entitled "संस्कृत-वर्तिका" (Sanskrita-varttika) Published by the Department of Sanskrit on 10th April, 2023

Objectives:

01. To give scope for the students in creative writing.
02. To provide a platform for displaying various talents.
03. To use students' leisure time effectively.
04. To give equal participation to all the students.
05. To develop healthy competition among students and inter-classes.

Context:

It was observed that students are not getting enough time for extra-curricular and co-curricular activities. Semester system has very less time for non-academic activities. It is felt that students are lagging, not getting enough space to express their creativities, ideas, writings or findings. We thought of providing a platform for the students. This gave rise to the concept of wall magazine.

Practice:

The Students of Semester - IV & VI (Honours) were allotted to publish a Departmental Wall Magazine. We named it as "संस्कृत-वर्तिका" (Sanskrita-varttika). An editorial committee of students was framed, whose primary responsibility was to scrutinise the various articles, write-ups which are to be published in the wall magazine. For every academic session a new 'theme' was selected. For this academic session - 2022-23 the theme was selected that "विज्ञानस्य सुपरिणामः दुष्परिणामश्च" (Good and Bad Effects of Science). The students had to contribute only related to that theme. Students editorial board scrutinises and send for the final approval to editor-in-chief. He finalises the articles to be published. He briefly writes an editorial note.

Brief Report on the publication of the Departmental Wall Magazine:

Sanskrit Departmental wall magazine named as "संस्कृत-वर्तिका" (Sanskrita-varttika) has been published on the special theme called "विज्ञानस्य सुपरिणामः दुष्परिणामश्च" (Good and Bad Effects of Science) on 10th April, 2023 (Monday) at 1:00 PM onwards in the room no.-5 of this college. It was prepared by the students of B.A. Sanskrit (Honours), Sem-IV & Sem-VI. Mostly the magazine is written in Sanskrit language. About 37 students and 15 teachers are gathering the Inauguration Program. Our Honourable Principal Dr. Kishore Kumar Biswal Sir inaugurated it on the Day and delivered a encouraging lecture for the students on the front of "संस्कृत-वर्तिका". This is the one of most interesting event for the students of our department. The creative skills of the students has been encouraged by the faculty members. In this occasion they are actively involved with the students.

Evidence of success:

The participation of students in the curricular and co-curricular activities increased. Students who were hesitate to participate in the classroom activities were also started to participate actively. Students used their leisure time more productively. It created healthy competition among students. Students expressed their creativity in writing, picture and projects. It instilled team work character among students. By comparing with their peers, they tried to improve their performance. It removed hesitation among students and develops confidence among students for expression.

Problems encountered and Resource required:

Students were unable to spend time in the college after class hours due to lack of bus facility. Repeated rejection of works due to quality check lead to de-motivation in few students. Access to quality websites, availability of journals and magazines, reference books along with stationery materials- these are the minimum required resources.
