# OUTCOME REPORT OF WALL MAGAZINE

"GEOGRAPHIA"– Natural Hazard

Date: 10.06.2023

The Wall Magazine was displayed by the department of Geography, Saltora Netaji Centenary College. All the student and faculty members participated in the said programmed. Wall magazine serve as a vibrant and interactive platform that brings people together, fosters creativity, and promotes information sharing within a community or organization. By combining visual appeal, educational content and a collaborative atmosphere. wall magazines create a dynamic space that encourages engagement, inspiration, and communication. Embrace the power of print media and unleash the potential of a wall magazine to transform spaces, ignite conversations, and celebrate the diverse talents and interests of a community.

## Soil Testing Programme (13.05.2023)

The Soil Testing Programme was a great success with the following notable outcomes-

- All the students of the Department of Geography were motivated and encourage to take active part in the Soil Testing Programme.
- A total of    students of the Department of Geography attended the programme with great enthusiasm and positive attitude for learning.
- All the staffs of the Department of Geography along with the Head of the Department Dr. Tushar Mandal were present on that occasion. The students tested the soil of the agricultural fields of the owners residing in College Para- an adopted village of Saltora Netaji Centenary College. The results were conveyed to the land owners and suggestions were given to them on what types of crops are suitable for cultivation in their lands. The list of students and the beneficiaries are attached herewith. The test was done using the soil kit available in the Department of Geography. The faculty members were present to supervise the programme.

## Students Seminar (17.05.2023)

The Students Seminar was a great success with the following notable outcomes-

- All the students of the Department of Geography were motivated and encourage to take active part in the students seminar.
- A total of 30 students of the Department of Geography attended the seminar with great enthusiasm and positive attitude for learning.
- All the staffs of the Department of Geography along with the Head of the Department Dr. Tushar Mandal were present on that occasion. Eleven students of semester-IV gave informative presentations on various interesting topics from their syllabus. The list of students and their topic of presentation are attached herewith. The faculty members provided constructive criticism to each and every presenter after their presentation. After the presentation, results were declared on the basis of contents and other soft skills shown by them.
- The expenses of the student's seminar were met from the college fund. The Head of the Department duly acknowledges it.
