Action Taken Report

(As per the decision of the IQAC vide meeting date: 22-02-2023 resolution no. 3)

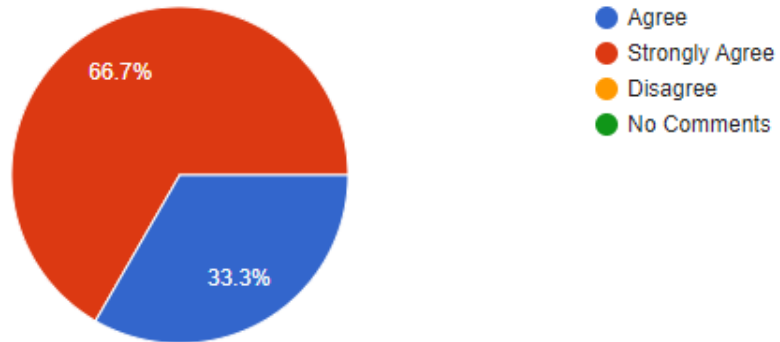

1. The concerned authority is planning to buy more books for the college central library. Convenor of the library committee has been requested to convene a meeting with the HoDs. After receiving booklist, it has been sent to DPI, Government of West Bengal for providing funds. If the proposal gets rejected, the books shall be procured using college fund.
2. The DPI, Govt. of West Bengal has already been approached several times for creating new teaching posts in various departments of the college but to no avail. We are planning to approach them again.
3. Many grievances have been raised on the lack of infrastructure. The coordinator of the Maintenance and Development Committee has been conveyed about this issue. Since then steps has been taken to bring funds from various government organizations, industries, local social workers etc. For example, the college authority has applied to the Paschimanchal Unnyan Parshad (PUP), Bankura, for providing funds for a building construction.
4. Resolved that more emphasis shall be given on the sports infrastructure development of the college. The Head of the Department of Physical Education has already been consulted to discuss on this issue. A sports association named “**Saltora Netaji Centenary College Sports Association (SNCCSA)**” has already been formed and inaugurated both for our students and the students of the surrounding area.
